This furniture is equipped with safety hardware to prevent both drawers from being opened at the same time to prevent the cabinet from tipping forward. Please do not try to override this feature and completely close one drawer before opening the other.

The File Drawers can be set up to use either Letter or Legal size hanging file folders using the File Rods installed in the file drawers.

For product and personal safety, a Furniture Tipping Restraint kit has been included with this unit which can help to minimize the risk of the unit accidentally tipping forward, if used and properly installed per the kit manufacturer's instructions.
