

Warning :

- Be sure to check all packing material carefully for small parts, which may have come loose inside the carton during shipment.
- To prevent possible scratches and damage, this furniture must be assembled on a soft surface such as a blanket or carpet.

Important Use Information: We recommend using coasters, placemats and trivets when placing hot or cold containers on this item. It is also recommended to quickly cleanup any spills to minimize exposure to moisture. Doing so will prolong the life and look of the item for many years.

Components and Hardware List

Furniture Tipping
Restraint Kit

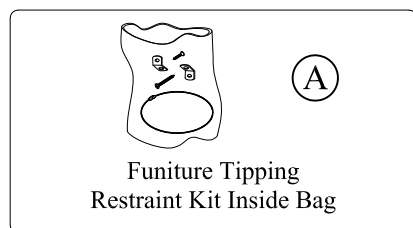

2 SETs.

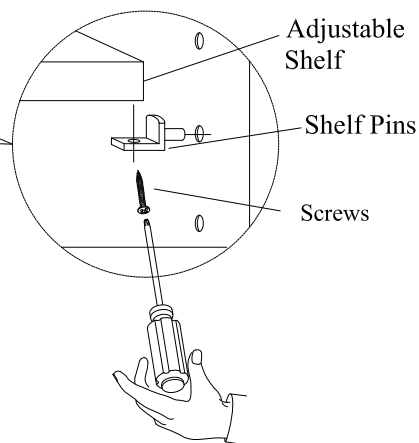

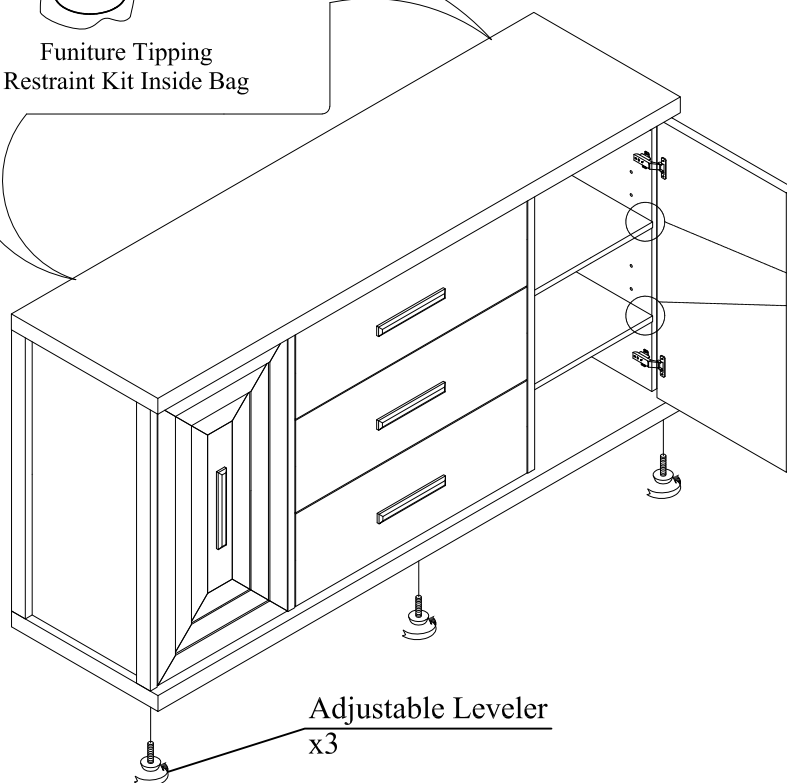

Tool Required
(not provided)
Phillips Screwdriver

1 PC.

Furniture Tipping
Restraint Kit Inside Bag

Unscrew to adjust
the shelf height

For product and personal safety, Anti-Tip Restraint kits have been included with this cabinet which can help to minimize the risk of the cabinet accidentally tipping forward, if used and properly installed.

Note: The four Adjustable Shelves (C) have been installed for shipping. These are secured using the Screws underneath the shelf. In order to move the Shelves to a different location, using your Phillips Screwdriver, remove the screws and move the Shelf Pins and Shelves as desired.
